21st FOOLS GOLD ENDURO

SUNDAY MAY 3, 1992

Presented by California Enduro Riders Association

Thank you for entering the 1992 Fools Gold Enduro.
We hope you enjoyed the event!

Same Day Trophies

Thanks to all of you who stayed for the trophy presentations. This is the first time we have used this scoring system, so it did take longer than we anticipated. We'll be quicker next year!
If you did not pick up your trophy on race day, we'll mail it to you. If you already have your trophy, we'll send you an engraved plate to attach to the trophy. The plate will list your name, class, and your finish in class.

Lost and Found

We found a watch on the course. If it's yours, write CERA and describe the watch. Include your rider number in your letter.

Disqualifications

We disqualified all riders who did not turn in score cards. Turning in your score card is very important. It tells us you have safely returned to camp.

Sponsors

Please support the sponsors listed on this page. These people donated money or prizes to make this event better.
