RESULTS: 1996 FOOLS GOLD ENDURO

We appreciate your participation in this year's Fools Gold Enduro, and hope that you had a good ride. Attached are the results. Inquiries that have been made on the results will be handled individually, and all changes that occur subsequently will be sent to the Enduro Steward for updating the annual series championship and advancement points. Team results will be sent out individually to team participants. CERA enjoyed putting on the event for you, and this year's event topped 100 ground miles for the first time in 8 years.

As you know, we are engaged in an epic struggle to save the OHV trails at Rock Creek from the preservationists who want to throw us out. CERA has worked with the USFS when that was the right approach, filed formal comments and appeals when that was the right approach, and sued successfully in the federal courts when that was the only remaining approach. We are prepared to do the same now, and deeply appreciate your continuing help and encouragement.
